

NMC-CTV05M-xx-RL-yy

NIKOMAX hook & loop cable tie, uncut, in 5m roll, black

Cable fasteners based on textile fasteners are designed for cable banding (bundling), as well as for fixing cables and patch cords to trays, organizers and other suitable equipment. Textile cable ties have a simple design, on the one hand contact tape, on the other micro loop. The soft texture of the cable ties eliminates the risk of damage to the cable bundles. A reusable solution that provides quick and convenient installation. This option of textile screeds is a tape NIKOMAX in rolls of 5 meters. Also available in various colors.

Ordering Table

P/N	Length, mm	Width, mm	Color	Quantity in package	Volume with packaging, m3	Weight with packaging, kg

Detailed characteristics

Characteristic	Value
Type	Cut tape on roll
Warranty	1 year
Packaging	Individual - plastic bag
Temperature range	Storage from - 40 C to + 80 C. Installation from 0 C to + 80 C. Operation from 0 C to + 80 C.
Color	Black / Green / Red / Blue
Length	5 m
Width	9 / 15 / 25 mm
Quantity	5 m / roll
Material of base	Polyamide
Hook material	Polypropylene
Material of loops	Polyamide
