

NMC-PL86X86F

Wall-mounted faceplate 86x86 mm for 1 insert Mosaic 45x45 mm

NIKOMAX Wall-mounted faceplates are designed to install inserts for Keystone to organize information ports in the workplace, as well as for mounting other mechanisms compatible with the French Mosaic standard (45x45 mm).

The front panel of the NMC-PL86X86F holds 1 full-size Mosaic insert 45x45 mm. The panel is mounted on wall mounting boxes and coasters with an interaxial distance between the screws of 60 mm or 120 mm.
