

NMC-CHS17-BK-100 - Diameter up to 17 mm

NMC-CHS21-BK-100 - Diameter up to 21 mm

NIKOMAX self-adhesive base cable holder with adjustable strap for the cable bundle, black, 100pcs.

- ✓ Made of ABS plastic
- ✓ Reliable fixation on any surface
- ✓ Adjustable strap

The base with an adjustable clasp is designed to fix a bundle of cables, which greatly simplifies installation work. The base is fixed by gluing it on a flat surface with a self-adhesive part, and if there is a mounting hole with screws or self-tapping screws.

NIKOMAX cable holders is made of ABS plastic. Allows you to fix both a single cable and a bundle of cables of different diameters. This base has an adjustable fastener, which is very convenient when fixing the cable bundles of different diameters.

The design of a fastener is suitable for repeated use. Thanks to the self-adhesive base, it allows installation on any surface. These holders are black in color, 100 pieces per pack.
