

NMC-PB1P-AH-WT - for 1 angles port, 25x50 snap-in bezel

For the organization of information ports in the workplace with the help of boxes, columns and internal sockets, a wide range of inserts of the British format 25x50 mm are used. The inserts are xed in the front panels with the help of convenient latches and, if necessary, are easily dismantled. Depending on the model, 1 or 2 Keystone modules of any type are installed in the insert.

The inserts are provided with a curtain to protect the socket from dust when the patch cord is disconnected.

NMC-PB1P-AH-WT
for 1 angled port, 25x50

Package Content

Snap-in bezel - 1 pcs.
