

## Cable management panel with plastic rings

Cable management panel are designed for laying the excess length of patch or hardware cords, which allows you to arrange their placement, avoid loops, and also provide good visibility of the marking elements. The consequence of this is the reliability of the system and the simplicity of its maintenance.

NIKOMAX cable management panel **NMC-OP530H-1U-BK-2**, **NMC-OP530HB-1U-BK-2** consist of a metal base on which plastic rings are mounted. A feature of these organizers is the presence of mounting holes in the base.

## Specification

Part number	NMC-OP530H-1U-BK-2	NMC-OP530HB-1U-BK-2
Number of rings	5	5
Ring depth	53 mm	
Ring material	Plastic	
Base material	Metal	
Color	Black	
Temperature ranges	Storage from -40 to +70 ° C. Installation from 0 to +50 ° C. Operation from -10 to +60 ° C	
Installation	19 "Rack or Cabinet	
Height	1U	
Brush	No	Yes
Warranty	1 year	
Packaging	Individual - cardboard box, 2 pcs.	

## Order Table
